In loving memory of
Deanne Elizabeth Binde

Deanne Elizabeth Binde, 21, was a junior communication and theater major, from Lake Park, Minn. The daughter of Dale and Debbie Binde, Deanne was a gifted student who participated in three Goshen College Theater Department productions over the past year and many other campus and community activities.

Last fall, she played the lead in the mainstage play "Step on a Crack," the story of a young girl's adjustment to changes in her family. This spring she was in the cast of the mainstage play "Absolutely! {perhaps}." And during the just-concluded May Term, she was the technical director assistant for the production of the musical "Quilters."

In addition to her love of theater, she was a DJ for The Globe (91.1 FM), played on the women's softball team, recycled with the Eco-PAX environmental club, and was a member of the Catholic Student Association. During the spring of her sophomore year, she participated in the college's Study-Service Term program in the Dominican Republic. In the community she volunteered with Meals on Wheels and La Casa, and regularly attended St. John's Catholic Church.

It was through these many involvements and every day interactions that Deanne made many friends on campus and created a perminent spot in many people's hearts. The following are several tributes describing the impact Deanne had on her friend's lives:

"Our hearts grieve with you in the loss of our friend, student and dear sister in Christ, Deanne. We long for her to return to this life, but are assured of her presence in the bosom of God, which offers us comfort in the midst of deep loss. We pray for your family as you mourn Deanne's loss and remember her gifted presence with you in life. May God grant you abiding peace. On behalf of all of us at Goshen College, our deepest sympathies." - Jim Brenneman

"Deanne was a delight in the eyes of many, and I personally appreciate her talents of uplifting those around her in times of trials, stress, and just plain boredom. She will always be remembered and loved by those within our community and so many others whom she touched through her love throughout the world." - David Magbee

"A truly talented individual, Deanne inspired the hearts of those who knew her — both on and off the stage [...] We will not soon forget the energy and passion she embodied throughout her time with us." - Mike Honderich

"She was always friendly, always helpful; talented and cheerful. She brightened my life and, even if I wanted to, I will never be able to forget her [...] I am pleased to know that she contributed so much while she lived, and made the most out of her time here." - Tara Hershberger

"From the moment I met Deanne, I've always known her to be warm, welcoming, and upbeat. I'll always remember her enthusiasm and her smile, which was so contagious." - Marissa Dooley

"Dee was one of the most evolved souls I've ever encountered. I am sad that I have one less person on Earth who can make me smile, but feel safer knowing that there is someone in Heaven on my side." - Piper Voge

"Deanne had so much left to do in her life, so many plans, and so many people's lives to touch, yet somehow, she was more ready than anyone to go home. It still doesn't feel real, but I know now that its because Deanne's not gone, her powerful spirit is still here and will live with me and many others for the rest of our lives." - Tim Blaum

"I miss her dearly and didn't realize how much of an impact she had on my life until she was gone [...] She really was a beautiful person inside and out…" - Troyanna Scott

"She has touched so many people, I am sure she is doing the same up there somewhere." - Angelique Birky

Deanne is forever stamped into my memory.
I can't remember a time that I saw Deanne and didn't burst into laughter because of something she said or did. She was truly a blessing to all of us. I can only hope that all the students at Goshen College have the abilility to carry on Deanne's philosophy "live to the point of tears!" - Sarah Noah
